My name is Cyril H Noble, this name will appear on the 2010 ballot.

I am married, I am 71 years old. My wife and I have 6 children, 17 grandchildren, and 3 great grandchildren. Most of these children were and are educated in the State of Utah. I went to the Public Schools in England and trained as a machinist. I retired from the Boeing Aircraft Industry as a manager. I am running as the Democratic Party Candidate for Utah's State District 74.

My platform is based on the peoples desire to have a two party system. Washington County is now ready to elect a moderate Democrat in Washington County, someone who will have an alternative voice in the State Capitol. I believe in a non-take away approach to education and to get people back to work based on Mayor Peter Corroon's campaign model, fair treatment for the people of Utah, no matter who or what they are.

Ladies and Gentlemen, please vote for me: Cyril H. Noble, in the November 2<sup>nd</sup>, General Election.
